

Review PK XD

PlayKids Inc

PK XD is a virtual world in which you can create a totally personalized avatar with which to explore a whole universe of possibilities. Create your own character, get a job and evolve together with your pet, becoming one of the great community of neighbors that make it up

Enter the open world of **PK XD**, a universe in which you can create your own character and interact with the world around you and discover new friends. It is a title from Playkids, a specialist in children's content, especially educational. With more than 10 million downloads worldwide, he has made this fun world a favorite of many users.

The first thing you have to do to start playing is **download the application for free** on your mobile device, you will find it available for iOS and Android in the main online stores, such as the Google Play Store and the App Store. Once you have it installed, the first thing you will do is create your custom character.

These avatars are totally personal, you create them from scratch and you can add or change any aspect you want at any time. The first puppet that will appear is blank and you are the one who will be adding characteristics so that it takes on its own personality. You will choose his skin tone, his expression, his clothes, hair and all those aspects that make him come alive in this universe. Many of the options they offer you have to be paid with virtual money that you will get in the application itself and that you will get as you progress through the game and pass tests. This process is very entertaining and you will find such fun objects as unicorn caps, cat ears or multicolored sneakers, which will make you have a good time trying to find the perfect look. You make the rules, if you want to be a zombie or a dragon, you can be. Use your imagination and create the best character.

On the right side of the screen you have the controls with which to manage your character, for example if you give him to dance and make him mark some good dance passes you will get more coins. This is so, every new thing that your avatar learns, the game rewards you.

Once you have everything chosen and you agree, the next step is to give your doll a name and you are ready to play. On this screen it will appear for you to collect your first reward coins, once you do so you will enter this fascinating world. Around you you will see the residential neighborhood where your house is located, along with that of many other players, but before walking through its streets, the best thing you can do is discover your own home.

Your house in **PK XD** is currently completely empty, but you will see that it is quite large and that you will need to get more coins to buy objects with which to fill it and turn it into a real home. Here you also send your, you can add rooms, decorate it as you want and give it the shape you want, the limit is set by your imagination.

Walking through your neighborhood you will discover in the distance the lights of the city, where the real fun is. Go to it and interact with all the objects and other neighbors in your neighborhood, with this you will be able to level up and get more money. In the metropolis they have a lot of stores where you can buy all kinds of things, such as juice, a pizza, get a pet, you can go to school, visit a museum and countless places to discover. If you overcome the challenges that are marking you in the form of mini-games, you will also get coins, such as collecting fruit in a certain time. You can also throw these challenges on your virtual friends, with whom you will also have to increase the degree of friendship.

Find a job and continue to grow as a member of the community and at the same time make your pet evolve with you. In this section you will get all kinds of pets, from common ones that we all know such as dogs and cats, or some

somewhat different, such as a hippopotamus, alligators, buffalo. All of them are waiting to be your friend, that you take care of them and watch them grow.

You will always find something new in **PK XD**, in this virtual world you decide what you want to do. You can do many activities such as relaxing on the beach, swimming, making new friends, and ultimately being part of the community.

Pros	Cons
<ul style="list-style-type: none">- Has many character customization options.- They always add new activities so you don't get bored.- The challenges are easy and fun.- You can play with friends.	<ul style="list-style-type: none">- Everything has a virtual cost.- Sometimes the challenges become repetitive.- It is difficult to find your friends in the game.- It doesn't work without internet.
